

PRE-EVENT TECHNICAL INSPECTION

Connecticut Valley Chapter Driver's School

INSTRUCTIONS: The Driver's School participant is solely responsible for the safe condition of the car to be driven to, at, and from this event. Participants must have their vehicle inspected no earlier than four (4) weeks prior to the event. The Technical Inspection must be performed by a qualified entity (e.g., dealer, authorized service center or mechanic). At the time of the Technical Inspection, the participant must sign the completed Technical Inspection sheet. This completed form must be presented at the trackside vehicle spot-check conducted by the Chapter. The participant will not be allowed to participate in the event without first presenting a signed and completed inspection sheet. The car must also pass the trackside vehicle spot-check conducted by the Chapter technical personnel. If the car does not pass the spot-check, you will not be allowed on the track and your entry fee will be forfeited.

PARTICIPANT CERTIFICATION

I hereby certify that the above vehicle has been carefully examined by a qualified individual and that all the foregoing items have been checked. I understand that the safe condition and operation of this vehicle is entirely my responsibility, that the Connecticut Valley Chapter of BMW CCA, Inc. and/or its members cannot be held liable or responsible for any vehicle, and that problems, malfunctions, or damage may occur in connection with the operation of this vehicle prior, during, or subsequent to the driver's school.

I acknowledge that the trackside vehicle spot-check which may have been performed on the above vehicle cannot verify that the vehicle has been in fact properly prepared and inspected for this high speed driving event. No representation is made by the Connecticut Valley Chapter, BMW CCA, Inc. and/or its members of the vehicle's roadworthiness for street driving or for this High Performance Driver's Education course. No warranties are implied or expressed by this spot-check. I acknowledge that at all times I remain solely responsible for the safe condition and roadworthiness of the above vehicle, and I am not relying on the trackside spot-check in deciding whether or not to drive the vehicle. I realize that the trackside spot-check is performed at the discretion of the Connecticut Valley Chapter, BMW CCA, Inc. and that not all vehicles may be checked.
